NOTES: Kitchen Wall Repair and Closure - Both Sides

Closed and repaired both sides of the kitchen wall opening. Work included measuring and cutting the required materials, installing wood backing/support to create solid attachment points, and securing new 1/2" sheetrock/drywall to close the drywall side. On the cabinet side, installed and secured finished wood/plywood paneling to close the opening and provide a durable finished surface. Materials were fitted around the existing cabinet structure and plumbing area and securely fastened using appropriate screws and fasteners.

Materials used: wood backing/support, finished wood/plywood panel, 1/2" sheetrock/drywall, drywall screws, and wood fasteners.

No drywall tape, joint compound, sanding, priming, or painting was performed.

	Subtotal	672.00
